

Dataset Information

Title

UNM Athletics ABQ To Do RSS Feed

Short Description

Lobo athletic events from around the country.

Full Non-Technical Description Description

This dataset contains information concerning Lobo athletic events for all sports.

Technical Description

ABQ To Do UNM Athletic RSS feed. Each event is encapsulated in an "item" element; elements outside the "item" element don't repeat. Some fields aren't populated but are required by the specification. Items in square brackets are placeholders for real values.

Format Definition

This is the specification for the ABQ To Do UNM Athletics RSS feed. Each event is encapsulated in an "item" element; elements outside the "item" element don't repeat. Some fields aren't populated but are required by the specification. Items in square brackets are placeholders for real values.
